## ORDER

THIS MATTER came before the Court on Monday, November 20, 2006, by way of conference call with counsel for both Plaintiffs and Defendants. On October 27, 2006, this Court, under the parties' stipulation (Dkt. 26), ordered production of certain documents that tend to identify minors who are not parties to this action. (Dkt. 27.) This Court required Defendants to notify each parent of a child who may be identified through discovery, and to produce the responsive documents after 10 days if no objection was received. Three of the four affected families were successfully notified, and no objection was received. As such, defendants turned over the requested documents by hand on November 9, 2006. A redacted

4 Defendants attempted to identify the fourth family at the last known address under the  
5 databases for Peninsula School District, but the correspondence came back undeliverable. The  
6 referenced family who has not been expressly identified has filed a declaration with the Court  
7 identifying themselves and their minor child. Defendants initiated this conference, requesting  
8 an order that they be required to disclose unredacted versions of the remaining documents  
9 (Bearing Bates Nos. PSD01757-78). The Court finds good cause to compel the Defendants to  
10 produce the unredacted versions of the documents.

11 IT IS THEREFORE ORDERED THAT:

12 Defendants shall produce to plaintiffs unredacted versions of Documents bearing Bates  
13 Nos. PSD0157-78. The Court's October 27, 2006 protective order applies to this disclosure.

14 DATED this 20th day of November, 2006.
